## Product Parameters

Product name	X10 off-road electric scooter
Net weight	About 30kg
Frame material	Aluminum alloy
Tire size	11inch
Max range	About 70-100km
Speed	40km/h
Output power	48V/1200W*2
Folding method	3 Seconds quick folding
Climbing angel	30°
Pedal width	215mm
Ground clearance of pedal	290mm
Ground clearance of pedal chassis	185mm
Battery capacity	48V/18.2Ah lithium battery
Charger parameters	DC54.6V/2A
Motor driven	Front and rear motor drive
Damping system	Three front and rear shock absorbers
Battery removal method	Portable and removable
Waterproof level	IPX4
Charging time	9-10 hours
Headlight	LED bright front light 3w
Taillight	Rear LED lights
Applicable height	120-200cm
Load range	120kg
Open size	1345*700*1325mm
Fold size	1345*700*635mm
